IMPORTANT ROAD CLOSURE INFORMATION

SUNDAY 07 APRIL 2024

On **Sunday 7th April 2024** the very special seventh edition of the **London Landmarks Half Marathon** will take place.

The event is organised by baby charity, **Tommy's (www.tommys.org)** to raise crucial funds for themselves and 537 other charities. Over £42 million has been raised since the first event in 2018 and we're aiming to increase our grand total to over £50 million through this year's LLHM.

While participants run past some of London's most iconic landmarks, the race route will also shine a spotlight on London's rich history and quirky and hidden gems.

The 100% not-for-profit event will involve some essential road closures in your area. Please check this document for details and timings.

Emergency services and pedestrian access will be facilitated throughout, but there will be no vehicle or bicycle access on the directly affected roads during the closure period. A number of bus route diversions will be in place - please visit [tfl.gov.uk](https://www.tfl.gov.uk) for more information.
